# *Annual Auction Sale*

# **SCOTCH SHORTHORN CATTLE**

We are again glad to invite all those interested in good Shorthorns to attend our annual sale. We feel that we have been successful in holding to our goal of having a better offering each year and have made great effort to include animals that will attract the most exacting buyers.

As this catalogue goes to press it seems certain that by sale day the war will be over and we will once more be at peace. Many farm boys will be returning to their homes every week and the demand for good cattle will soon be even greater than it has been. It will be well to secure those additions and replacements that you have been planning before the almost certain post war increase in prices.

H. L. Miller.  
Carl McKenzie.  
H. L. Tulpin.

If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

## Statement by Mr. Longley

Those who study this catalog will agree with the writer that unusual pedigree strength is displayed and those who attend the auction sale on September 14th will agree that the offering contains just the kind of individuals that should be expected from such strong ancestry. Harvey Miller, Harold Tulpin and Carl McKenzie have been holding annual auctions for several years and the cattle sold through these sales have proved highly profitable to those who have purchased them. The 1945 offering, however, reflects more clearly than ever before the strength of the herds maintained by these three progressive Central Illinois breeders.

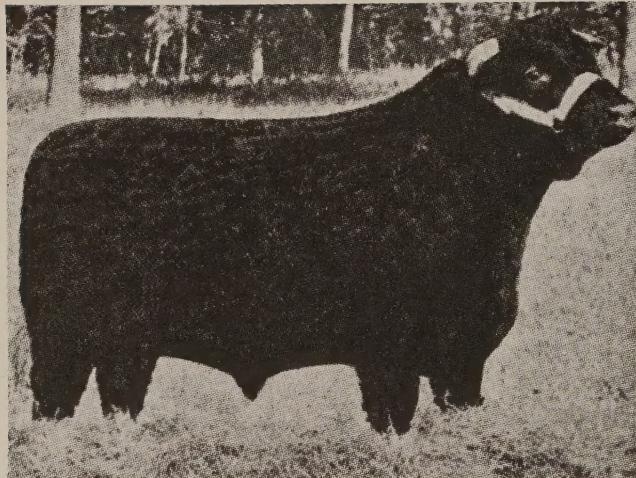

The consignment of H. P. Miller will contain one very good red junior yearling bull, twelve grand young cows with calves at foot, and twelve exceptionally uniform bred heifers that are better than any group ever offered heretofore from this herd. Many of the older females are daughters of Sni-A-Bar Clarendon by Imp. Cluny Clarendon. Most of the heifers as well as the calves that sell with their dams are by Sensation's Royal, an outstanding son of Oakdale Sensation.

Carl D. McKenzie will sell three promising, blocky bulls, a cow with calf at foot, a bred cow, three bred heifers and two open heifers. This is a very choice consignment of red and dark roan cattle featuring the get and service of the good herd bull Britomac Jasper by Imp. Millhills Jasper.

Through his recent purchase of the entire Douglas Manor herd, Harold Tulpin is able to offer a larger and stronger consignment than ever before. He will sell five compact, short legged, dark colored bulls, five cows with calves, three bred cows, two bred heifers and two open heifers. Featured in this consignment will be the get and service of the famous sire Imp. Cluny Brigadier Command, a son of Calrossie Command, one of the most famous sires in Scotland's history.

Nine bulls and forty-three females will make up the sale total. Those who are seeking quick profit females should bear in mind that eighteen cows will sell with free calves at foot and a dozen more good females will deliver calves soon after sale day. This is an offering of richly bred Scotch Shorthorns drawn from strong herds. I am glad to recommend the cattle that are to be sold as well as the men who are selling them.

HAL LONGLEY,  
Of The Shorthorn World.

Imp. Cluny Brigadier Command was purchased with the Douglas Manor herd where he had been in service for several years. He was himself a first prize winner at the Perth Show. He was bred at Cluny Castle and his pedigree speaks for itself. He is a member of the most highly prized family of bulls on either continent and a good member at that. His service is valuable and you will have opportunities to buy it with several females in the sale.

I regret that we do not have a good picture of this bull. His breeding is most impressive and he is one of the thickest and shortest bulls in the Middle West. He has some grand get on the Bellows Farm where he was used to a considerable extent prior to our purchase of him. There will be a few of his calves in the sale and a few females carrying his service.

A good daughter of a good sire and dam. Grand Parade, her sire, was purchased by Griff Johnson in one of the 1943 sales at a cost of \$1,000. Her dam is a very good breeder and a fine individual. The heifer is alright too.

Rose A Way is a dark red heifer with lots of quality, with a lot of Goldfinder breeding. We debated a long time whether we should sell her. She is the type to keep.

Robinwood Rosewood 6th is a fine brood cow that produces excellent calves. She is a daughter of the International Champion Raveni Masterpiece and the calf she will have at foot will be by Imp. Cluny Brigadier Command. Such cows are not often found for sale and I could well use her in my herd. I am offering her in an effort to make our sale attractive to those who demand the best in breeding.
